

Passport Club Check at Home

Student Name: _____ Teacher: _____

Month: _____

If your child missed Check Day, forgot to study, or didn't do as well as they wanted they can complete a Check at Home Form with your help.

Use the form below and quiz your child using their BLANK map. As your child identifies each country, write the country they identify onto the form in the correct level. **When the check is completed, take a photo or scan the form and send it to passport@puestadelsolpta.org.** If that isn't possible, students can give the form to their teacher to put with their passports or parents can turn the form into the manilla envelope labeled PASSPORT in the main office workroom.

Students will receive credit and stamps for their passports. To ensure proper credit all Check at Home Forms for any month will need to be submitted within one week of the May Check Day.

Check at Home Tips

- To check your child, say for example, "Show me Spain". They should be able to point to Spain on the blank map without help from you.
- Do the levels in order. Students may miss 1 country in levels 1-3 and still pass levels 1, 2, or 3. Students may miss 2 countries total on levels 1-5 and still pass level 4 or 5.
- Email passport@puestadelsolpta.org if you have any questions.
