

Family and Friends,

We would like to invite you to support Puesta del Sol this year. Our 13<sup>th</sup> Annual Walkathon will be held on September 19<sup>th</sup>. This is a festive after-school event where family, teachers, and staff support our students as they walk laps. It is truly a great way to build community while raising funds for the school and its programs.

Our PTA provides many fun learning experiences and classroom materials for our children:

- Spanish classroom materials and other classroom supplies
- Native-Spanish speaking "Amity" interns who help in the classrooms
- Passport Club (geography) and Readers are Doers (R.A.D.) program
- Science Fair
- International Night
- Field trips
- Drama Club and Math Olympiad

Here is an easy way for you to support the growth and learning of the kids you know and love! Go to [www.puestadelsolpta.org](http://www.puestadelsolpta.org) and click on "Non Parent Donations" under the Donate link on the left hand side of the page to make a flat donation. If you would like to make a per lap donation please let me know. Once the Walkathon occurs and you have a final donation amount go to [www.puestadelsolpta.org](http://www.puestadelsolpta.org) and click on "Non Parent Donations" under the Donate link on the left hand side of the page to make your custom donation amount. You can also send a check made payable to "Puesta del Sol PTA" and mail it to: Puesta del Sol PTA, ATTN: Treasurer, 3810 - 132<sup>nd</sup> Ave. SE, Bellevue, WA 98006. Please write "Walkathon Donation" and the sponsored child's name in the memo field of your check.

For reference, Kindergarteners walk an average of 15 laps. On the other end, 5<sup>th</sup> graders walk an average of 35 laps. This is just an estimate. Each individual child is unique and laps can vary greatly.

Thanks for your support!
